HAVERING CONCERT ORCHESTRA

The Havering Concert Orchestra, established in 1936, is a community orchestra serving the London Borough of Havering, Essex and surrounding areas. We exist to provide opportunities for local instrumentalists to practise and develop their musical skills, and to provide entertainment for members of the public.

We have adult members of all ages, and endeavour to make our rehearsals and concerts approachable and friendly occasions. The orchestra works with local soloists wherever possible. We have worked with several past winners of the Havering Young Musician of the Year award.

The Havering Concert Orchestra is a member of, and is supported by, the Havering Arts Council. We are also affiliated to Making Music.

If you are a keen musician, why not come and join us? We are particularly keen for cellists to join.

Rehearsals are held on Wednesday evenings 7.30 to 9.30 pm, during term time at North Street Halls, North Street, Hornchurch, RM11 1QX.

For full details, visit our website: www.hcweb.co.uk or e-mail: haveringconcertorchestra@gmail.com.
